SIR:

Now come Masami Enda, Yumi Yaita, Mitsuyoshi Sato, Hitoshi Sakai, Takeshi Kanasaki and Ichiro Inami who depose and state that:

1. We are the named Applicants in the above-identified application, and that the full facts concerning the circumstances under which the present invention was made and the relation of such invention to the performance of any work under any contract, subcontract, or arrangement entered into with or for the benefit of the Atomic Energy Commission, the Energy Research and Development Administration or the Department of Energy are as follows:

2. The above invention was made, conceived and reduced to practice entirely on the time and efforts of the Applicants and at the sole expense and for the sole benefit of the Applicants' Assignee, Kabushiki Kaisha Toshiba, with offices at Tokyo, Japan, during our course of regular employment with said company at their facilities in Tokyo and Kanagawa-ken, Japan.

3. The invention or discovery was not made, or conceived in the course of or under any contract, subcontract, or arrangement entered into with or for the benefit of the United States Atomic Energy Commission, the Energy Research and Development Administration, or Department of Energy.

4. We declare under penalty of perjury under the laws of the United States of America that the foregoing is believed to be true and correct.
